## GREEN WASTE DUMPING GUIDELINES & FEES – 1/1/09

New dump clients **MUST** set up an account with Green Waste Recycle Yard before dumping. Please call operations manager Bernie Lenhoff at **(510) 527-8733**, any weekday.

Our yard is located near the Parr Blvd exit off Richmond Parkway at **2550 Garden Tract Road in Richmond**, near the Golden Bear Transfer Station (formerly West Contra Costa Sanitary Landfill), and offers a less costly and greener alternative for disposal of woody green waste.

Our dump hours are **7:45 AM – 3:45 PM weekdays**.

### We accept **ONLY** the following materials:

Trees, logs, log rounds, branches, brush, woody shrubs, and wood chips free of contaminants.

### We do **NOT** accept:

Succulents (yucca, cactus, ice plant, etc.), dirt, grass, sod, construction debris, treated lumber, railroad ties, metal, concrete, plastic, trash, rocks or contaminants, or any other materials not listed as acceptable above.

**CONTAMINATED LOADS WILL BE REJECTED until the contamination is removed. ANY unacceptable material found in loads dumped at GWRY will be separated by GWRY employees, loaded onto GWRY trucks, and disposed of at a proper facility. AT THE COST OF THE DUMP CLIENT. Violation may result in denial of access to GWRY services.**

### TIPPING FEES (as of 1/1/09):

We have simplified our fees to offer the best value to our clients and make it easier for them to budget costs.

There are no higher fees for bringing in full length logs. Save crew time by bringing us full length logs.

Each truck's full load capacity is measured on its first visit to the yard and entered in our records. Volume for each load is then assessed based on the percentage of capacity used (i.e.  $\frac{3}{4}$  load of a 20 yd<sup>3</sup> capacity truck = 15 yd<sup>3</sup>).

<b>SERVICE</b>	<b>FEE</b>
<b>FLAT RATE</b> (trees, logs, rounds, branches, brush, and wood chips)	<b>\$15</b> per cubic yard
<b>ROOTWADS</b>	
2-3 ft spread	<b>\$250</b> each
3-6 ft spread	<b>\$500</b> each

### PAYMENT

Payment due at time of service, unless otherwise arranged. We accept cash, checks, and VISA or MasterCard.

### DISCOUNTS

Discounts for high volume regular clients or large projects may be possible by prior arrangement with operations manager Bernie Lenhoff: **(510) 527-8733**.

**LONG LOGS ARE BEST. SAVE YOUR CREW'S TIME AND HELP OPTIMIZE OUR RECYCLING.**

**We Value Your Business!**
